

YSTAD 1899
VILLA STRANDVÄGEN

Welcome home.

Nestled right by Ystad Saltsjöbad, in a turn-of-the-century setting, with the sense of being your home away. "Villan" as we call it, is undoubtedly a unique and appealing destination. **With an atmosphere that is warm and cozy, coupled with elegance.** Making it an ideal choice for those looking to host a special event or enjoy a memorable intimate experience.

The gastronomic experience is astonishing. Villa Strandvägen received a fork by one of the biggest culinary publishers in Europe. This explains the description of being a restaurant that also just happens to provide seven bedrooms.

The menu changes with the seasons, providing different colors on the plate, depending on which. The core stems from French cuisine, combined with Swedish tastes. Well-thought-out ingredients, and handpicked components. Made fully with passion.

The hospitality throughout the whole experience is equivalent to staying at your best friend's house, who not only loves having people over, but it was also a long time since you saw each other. Enjoy conversations that tickle when spoken, homemade cakes that as tempted you since they started baking, and last but not least the feeling of newfound, everlasting love.

Have the house all to yourself - perfect for productive meetings in a calm environment, or to have your private celebration. Feel free to just rent a room, and experience the relief of being seconds away from your bed, when the food coma hugs you goodnight.
